SDG Indicator 5.a.1
Equal tenure rights for women on agricultural land

© IFPRI/Farha Khan

2 ZERO HUNGER

5 GENDER EQUALITY

10 REDUCED INEQUALITIES

This course focuses on SDG Indicator 5.a.1, which is one of two indicators that focus on women's ownership and/or control over agricultural land. As this is a statistical based indicator, after introducing its key concepts, definitions and rationale, the course offers detailed guidance both on data collection and manipulation, and computation of the various sub-indicators.

2.5 hours

Available in English, French and Spanish

Digital badge

You will learn about

- Experience-based food security measurement, and its role in the SDGs
- Explanation of the key phrases used within the 5.a.1 Indicator
- Suitable data sources to use and selection processes and questions to capture the reference population, including harmonization with other SDG indicators
- Data manipulation and computing of Indicator 5.a.1

Who is the course for?

The target audience of this course includes:

- Directors and senior staff of national statistical offices
- Statisticians of national statistical offices
- FAO regional statisticians
- Policy makers or advisors
- Representatives from legal and human rights institutions
